STEP 1

Access Zelle®

Find Zelle® in the mobile banking app of our partners. If you already have your banking app on your phone, there's no download necessary. If your bank or credit union doesn't offer Zelle® yet, just download the Zelle® app to get started.

STEP 2

Pick someone (you trust) to pay.

Once you're enrolled with Zelle®, all you need is an email address or U.S. mobile phone number to send money to friends and family straight from your banking app.¹ From your kid's babysitter to your college bestie, Zelle® can be used to send money to almost anyone you know and trust with a bank account in the U.S.¹

STEP 3

Choose the amount to send.

Enter the amount you want to send. If your recipient is already enrolled with Zelle®, the money will go directly into their bank account, typically in minutes¹. If they aren't enrolled yet, they will get a notification explaining how to receive the money simply and quickly.
